Country Mouse Visits the City

Country Mouse lived in a village. It was a beautiful and quiet village. There were hills, trees, ponds, farms near his house. Country Mouse loved his home. One day, after receiving a letter from his friend, Town Mouse he decided to visit him. He took a train to the city. Town Mouse met him at the station and took him home in an auto-rickshaw. Town Mouse lived in a flat in a huge building. They had to go up in a lift to reach his flat. Country Mouse was surprised, because he had never been in a lift before. He looked at all the buttons very curiously. The next day, they went out of the city. There were many vehicles on the road and Country Mouse could only hear loud noises. This scared Country Mouse a little. He told his friend how peaceful and quiet his home — the village — is. He told his friend he did not like the noises in the city. He went back to his village the very next day and decided never to go back to the city again!
